

Attend-eCheck In

Fast, easy, simplified check-in and management.

Revolutionize your event check-in.

metroConnections' Attend-eCheck In provides easy check-in at your conference by utilizing mobile check-in stations. This can be done via a self-service model or by having staff check-in your guests. This system dramatically speeds up the attendee check-in process at your events and provides real time reporting on who is physically at your event.
